This Newsletter is a periodical which showcases the vivid activities and events conducted in the school.

It carries photographs of various events organised by the school from the month of June to October.

With the mindset to impart value based education along with technical and academic skills, Peace International School was incepted. Our vision to create an exemplary society of responsible citizens and mission to nurture the inherent genius in every child simultaneously fostering academic excellence, reflects in each and every activity. It further provides a platform that serves as a forum for the expression of literary and artistic skills of the students. The forays made by the school, inter school programs, school celebrations, various competitions that the students participated in, the awards won by the students etc., have been highlighted as a mark of recognition and applause.
