Students need to know that  
Math is real and useful

Real life examples of arithmetic progression.

Thank  
you

The image features the words "Thank you" written in a dark blue, elegant cursive script. The text is centered and surrounded by approximately ten watercolor-style hearts in various colors, including shades of orange, pink, purple, blue, and yellow. The hearts are scattered around the text, some overlapping it, creating a warm and affectionate visual. The background is plain white.
