

**PEACE INTERNATIONAL SCHOOL  
DEPARTMENT OF MATHEMATICS  
GRADE – 1,2,3  
JULY - PART 1**

1

Yayy... we know  
the numbers,  
number names  
and can  
compare them  
too

2

Understanding regrouping of 2-digit numbers is an arduous task. But we will never give up. We tried to understand it through an activity and by watching a video.

3

**"Visualizing addition with place value blocks: combining thousands, hundreds, tens, and ones to find the sum!"**

**THANK  
YOU**
