

KINDERGARTEN DEPARTMENT

SEPTEMBER ACTIVITIES

PRE-KG

Shapes are all
around us.
Our tiny tots
are
demonstrating
it very well.

JKG

Playing with balls makes physical activity fun. Here our toddlers are enjoying their ball balancing activity.

SKG-A

Ordinal numbers
are different from
the cardinal
numbers .

SKG kiddies are
showcasing
through these
activities.

SKG-B

Learning the ordinal number concept by playing hopscotch game.

They understand the position and also use large motor skills while hopping and identifying numbers.

ART and CRAFT

Art and craft play a significant role in the complete development of the students. It enhances cognitive development, and promoting personal growth.

YELLOW COLOUR DAY

**Life is meaningful when
its colourful.
Yellow Colour Day
Celebrations
of KG .**

TEACHER'S DAY

Our exuberant educators illustrate the flip side of mobile usage.

FIELD TRIP

Field trips can provide real-world experiences that are more engaging than textbooks.

Kindergarteners enjoyed their visit to the fire station.

THANK YOU
