

**PEACE INTERNATIONAL SCHOOL
DEPARTMENT OF MATHEMATICS
GRADES – 1,2, 3
JANUARY ACTIVITIES**

**Sorting and
grouping
objects by
colour and
shape.**

"Mass Activity: Exploring the World of Weights"

**"Getting the
measure of
things"**

**"Learning with
rhythm and fun!"**

Reciting the table of 2,3,4,5 and 10 as a song and activity to build the table.

Learning that fractions are a beautiful representation of a whole.

A watercolor-style background in shades of purple and lavender with a soft, textured appearance. The text "Thank you!" is written in a dark blue, cursive script font, centered on the watercolor wash. The word "Thank" is on the top line and "you!" is on the bottom line.

Thank
you!
