

PEACE INTERNATIONAL SCHOOL, ERNAKULAM KINDERGARTEN

Welcome to the
Presentation!

peace
PEACE INTERNATIONAL SCHOOL
ERNAKULAM
(Affiliated to CBSE)

My best memories!

BLACK AND WHITE DAY ACTIVITY

Help to develop their fine motor skills. Children identify and differentiate between the colours black and white. Help children build connections to things around them

FIELD TRIP

- ❖ **Develop keen observation skills**
- ❖ **Identifying different animals in the farm**
- ❖ **Develop social skills and love of learning**

PICNIC

Provide a fun outdoor experience, encourage physical activity and social development. Provide opportunities to practice basic skills like sharing food, following instructions.

SAVE WATER POSTER MAKING ACTIVITY

To protect natural water bodies and ensure that there is enough water for human needs in future

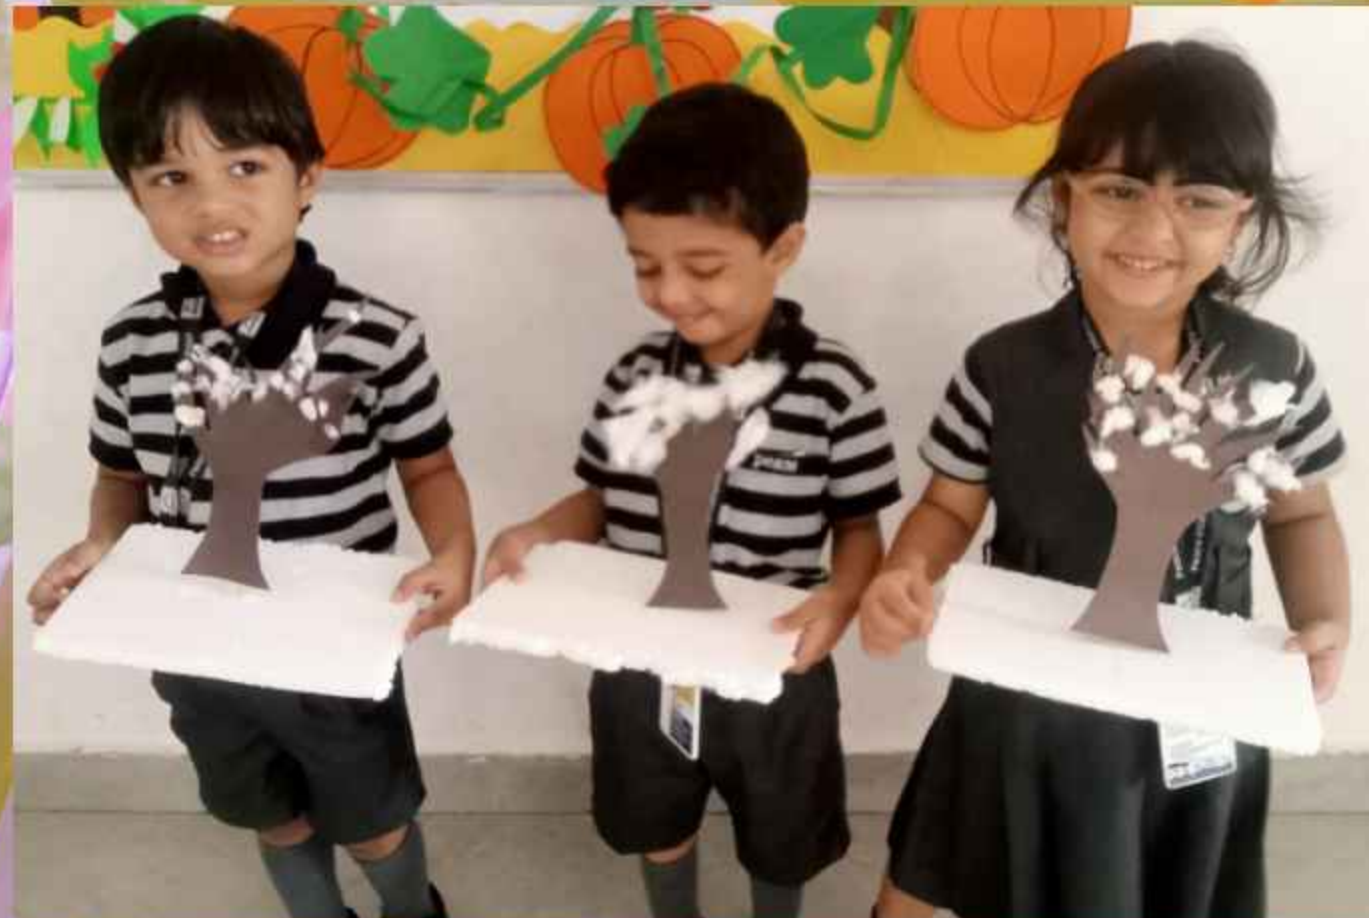

INSECT MAKING ACTIVITY

- ❖ **Help children learn about insects and identify the different body parts of them.**
- ❖ **Help children develop fine motor skills, creativity and social skills**

WINTER SEASON ACTIVITY

- ❖ Identifying key winter characteristics like snow, cold weather, winter clothing and seasonal changes
- ❖ Development through art and craft activities

LETTER - V VOLCANO CRAFT ACTIVITY

- ❖ Recognition of letters
- ❖ Developing fine motor skills
- ❖ Develop creativity and love of learning

SPEECH ABOUT BIRDS ACTIVITY

**To understand the diversity of birds and enhance the communication skills.
Develop the observation and critical thinking skills.**

NATURE WALK

- ❖ **Develop keen observation skills**
- ❖ **Identifying different plants and animals in the local ecosystem**
- ❖ **Improving sensory awareness**
- ❖ **Enhancing physical activity**

RAINBOW ACTIVITY

Help children learn about colours, develop their fine motor skills, and explore their creativity

HEAVY AND LIGHT CONCEPT ACTIVITY

To enable children to identify and compare the weight of different objects, using the terms "heavy" and "light" appropriately. Helps to promote sensory exploration

POSITION WORDS ACTIVITY

Make connections to objects around them

Can help build their understanding of geometry and geography

Expand vocabulary

Understanding of grammar

SKIP COUNTING ACTIVITY

Students will recall and recognize the numbers

Develop critical thinking skills and helps students count numbers quickly

BOTTLE CAP PRINTING ACTIVITY

Help children to develop their creativity and fine motor skills.

Children can learn to be patient and concentrate while working

Thank
You!
