

**PEACE INTERNATIONAL SCHOOL
DEPARTMENT OF MATHEMATICS
GRADES – 4,5,6,7,8
FEBRUARY ACTIVITIES**

4

**"Many Sides,
Endless Fun!
Learning about
different polygon
shapes and their
properties"**

5

**"Triangle Trio!
Exploring the
different types of
triangles and their
unique features"**

"Twirling into math! Discovering the beauty of symmetry with our spinning fan activity"

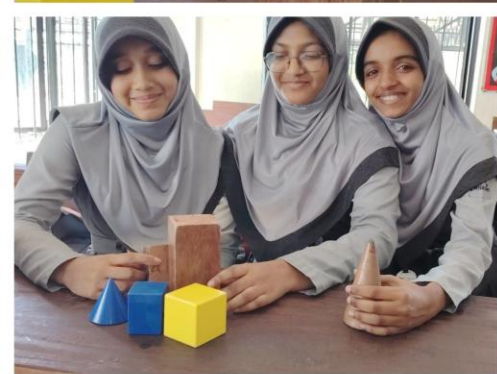

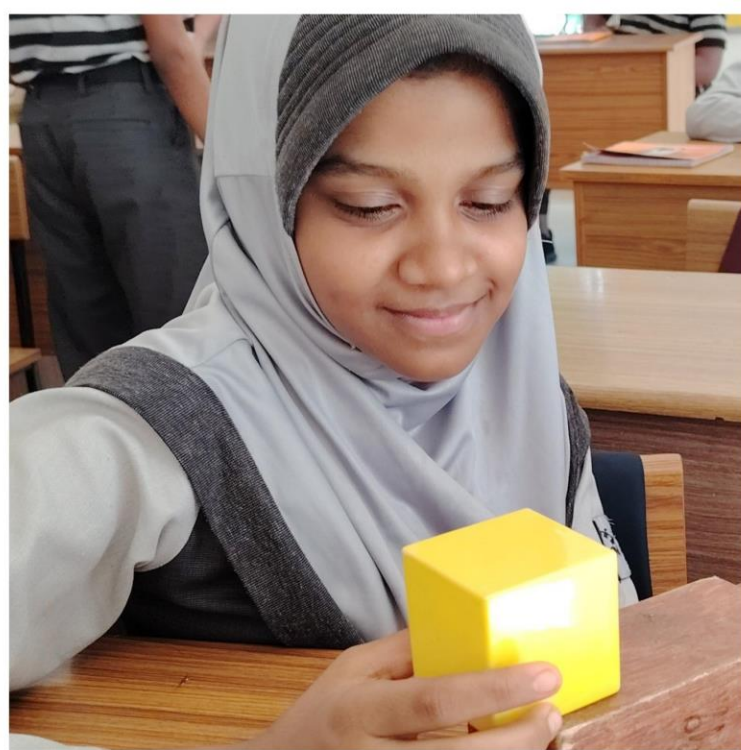

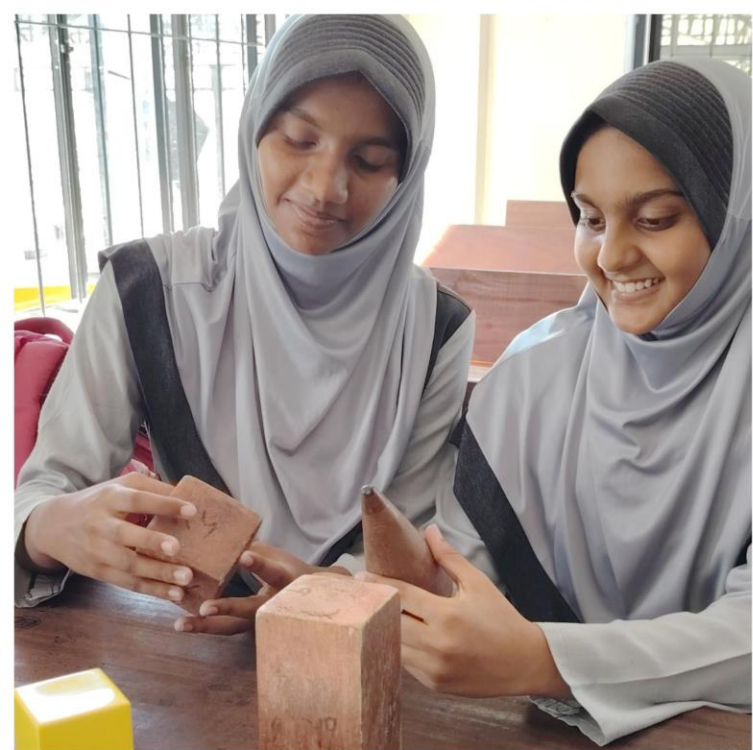

7

**"Step up to geometry!
Hands-on fun with
pyramid shapes and
structures!"**

"Unfolding the wonders of 3D shapes! Hands-on learning with surface area explorations!"

Thank
you
