

**PEACE INTERNATIONAL SCHOOL**  
**DEPARTMENT OF MATHEMATICS**  
**GRADES – 4,5,6,7**  
**JUNE ACTIVITIES**

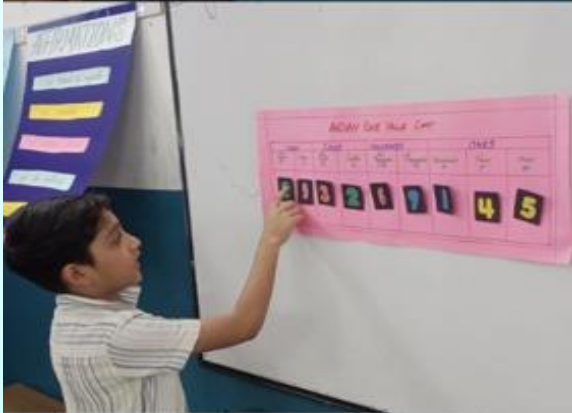

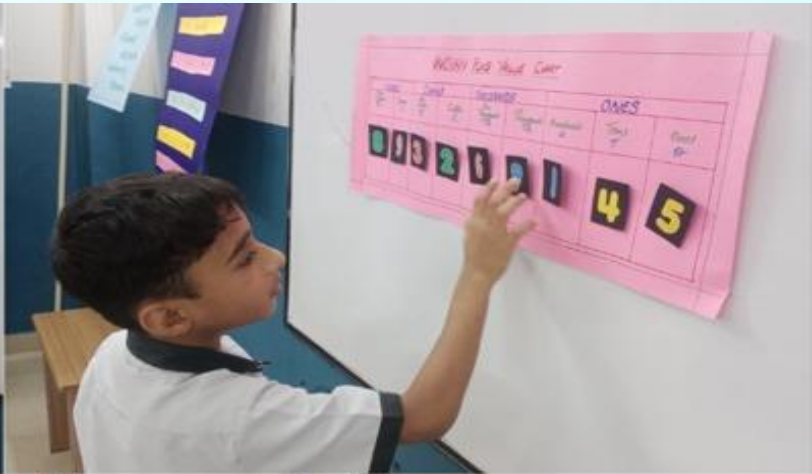

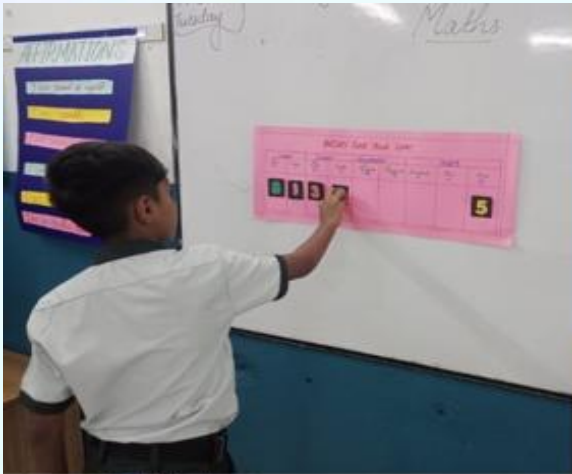

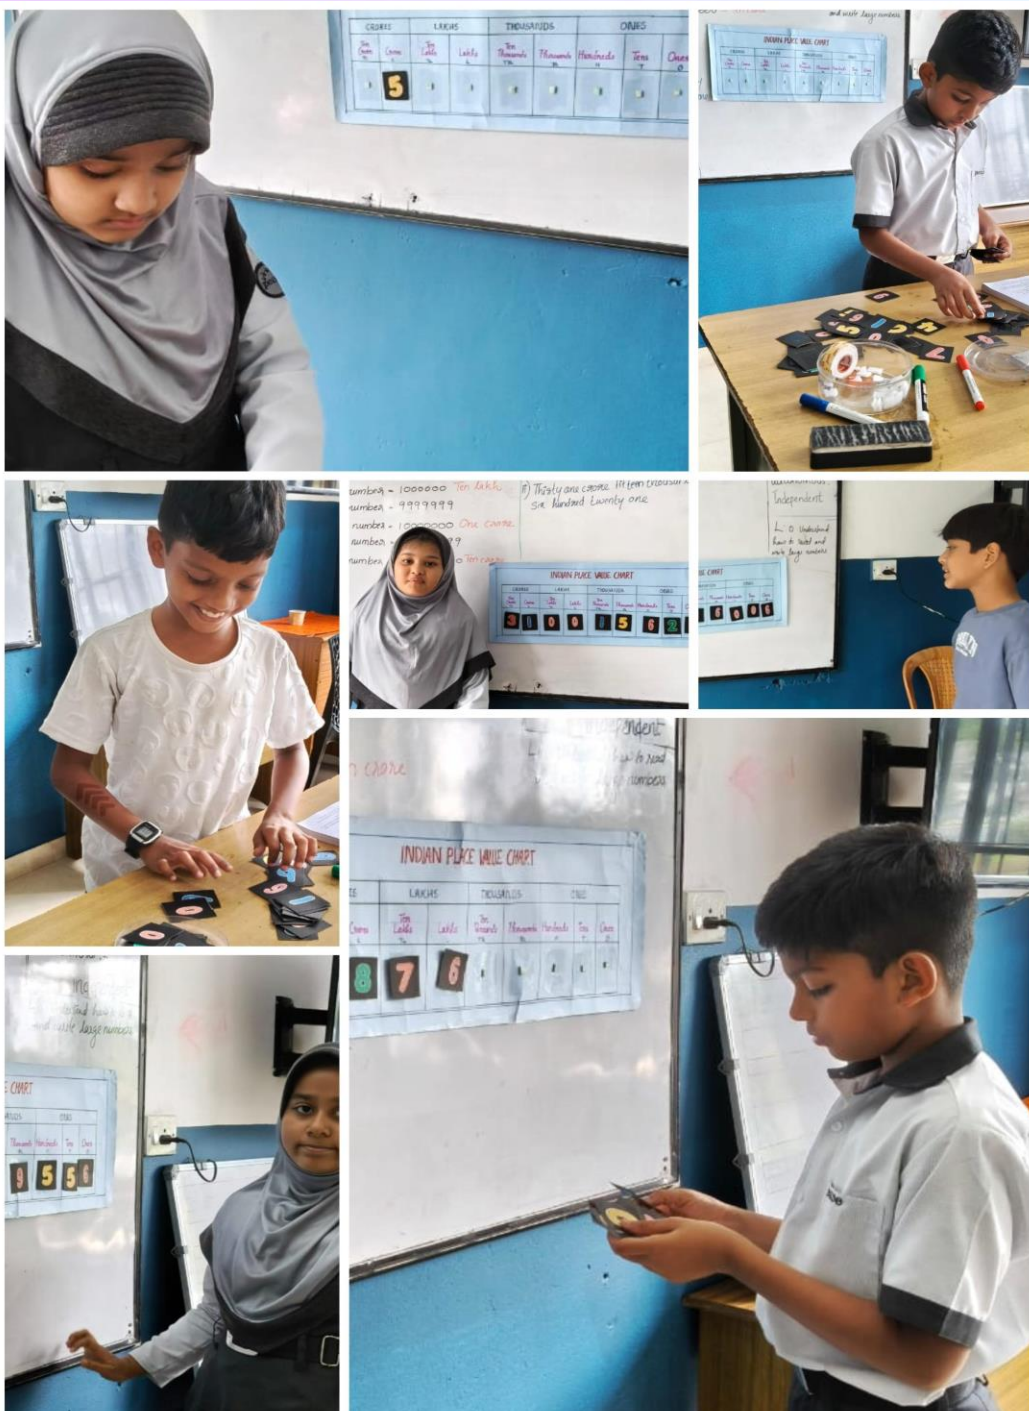

**We can arrange a 6- digit number according to Indian place value system and place commas to separate periods.**

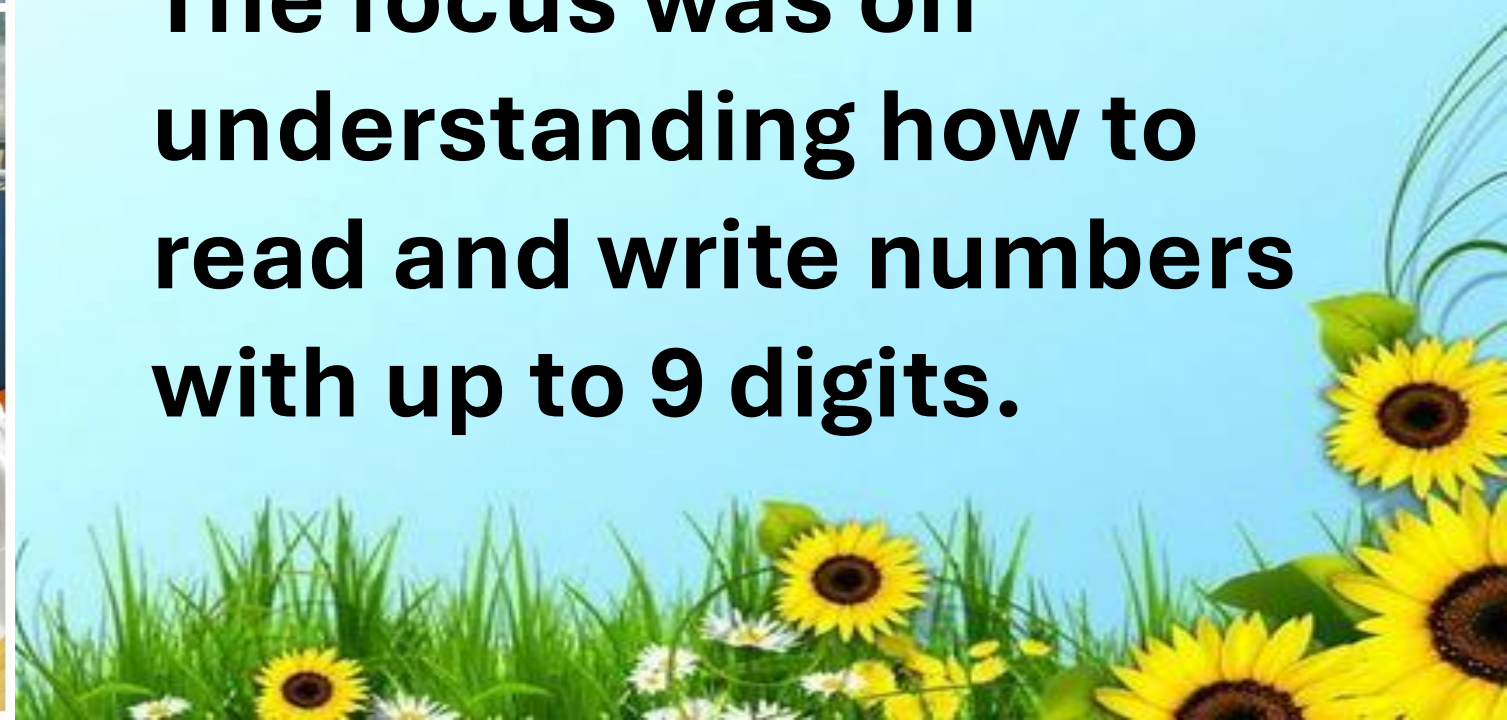

**Our enthusiastic Grade 5 learners explored the world of large numbers in an engaging activity. The focus was on understanding how to read and write numbers with up to 9 digits.**

**Patterns all around us!  
Let's find and create  
some.**

**Calculate your  
way to creativity!  
Building a  
calculator from  
scratch.**

Thank  
you
