

PEACE INTERNATIONAL SCHOOL

ENGLISH DEPARTMENT  
EXPERIENTIAL LEARNING  
GRADE 4,5,6 and 7

## Grade 4 A Poster making

Helps to enhance creativity and imagination among students by expressing ideas visually.

## Grade 4 B

Poster making helps to develop visual communication skills through the use of drawings, colors, slogans, and layouts.

**Grade 5 A**

**Poster Making**

**Topic : Marine  
Pollution**

**It helps to create  
awareness about  
the causes,  
effects, and  
prevention of  
marine pollution.**

Poster making encourages students to visually express their understanding of environmental issues, especially ocean pollution.

## Grade 5 B

Poster making helps to develop creativity and artistic skills through the use of relevant images, colors, and slogans.

**Poster making improves communication skills by presenting complex ideas in a simple, visual format.**

**Grade 5 C**

# Poem Writing

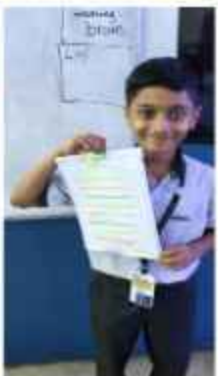

## Topic : Human Feelings

To enhance creativity and imagination by encouraging students to express thoughts and feelings in poetic form

## Grade 6 B Poem writing

To develop language and vocabulary skills through the use of poetic devices like rhyme, rhythm, simile, metaphor, and alliteration.

## Grade 7 A

**Narrating a Funny Incident:**  
Narration is a time-honored device for oral communication of knowledge. Narration helps children learn quickly by making the subject-matter interesting and easy to grasp.

## Grade 7 B

### Narrating a Funny Incident:

Narration means the art of storytelling, and the purpose of narrative writing is to tell stories.
