Grade 4 to 7

Grade 4 A

Origami boat making

- Fostering artistic expression and appreciation
- Developing creativity, fine motor skills.

Grade 4 B

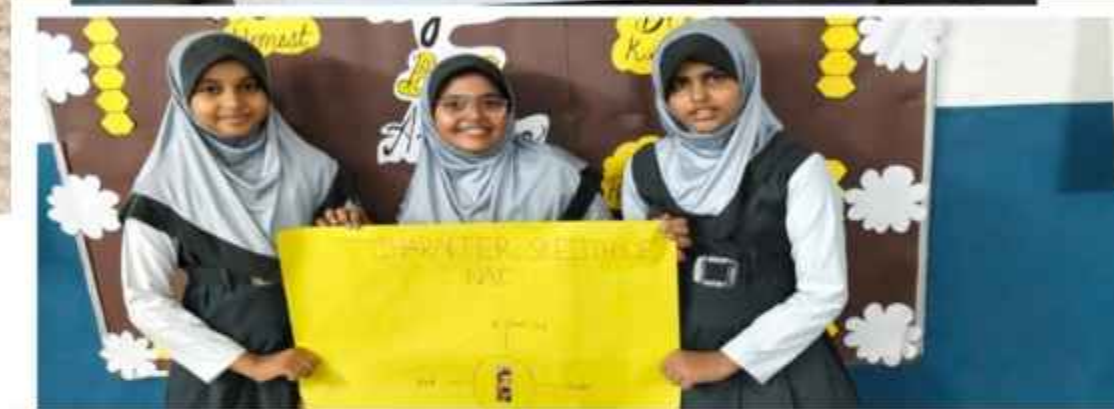

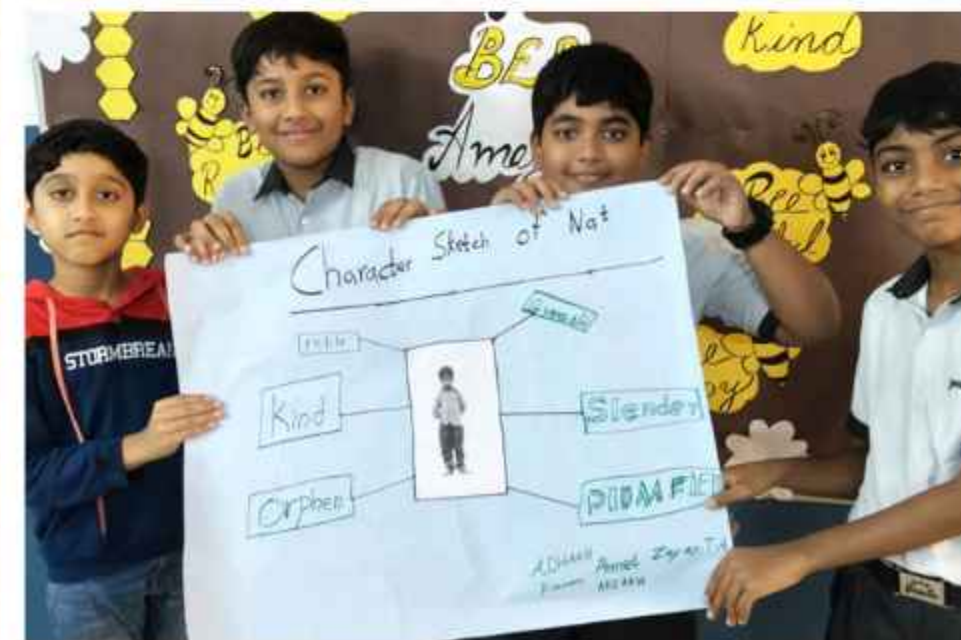

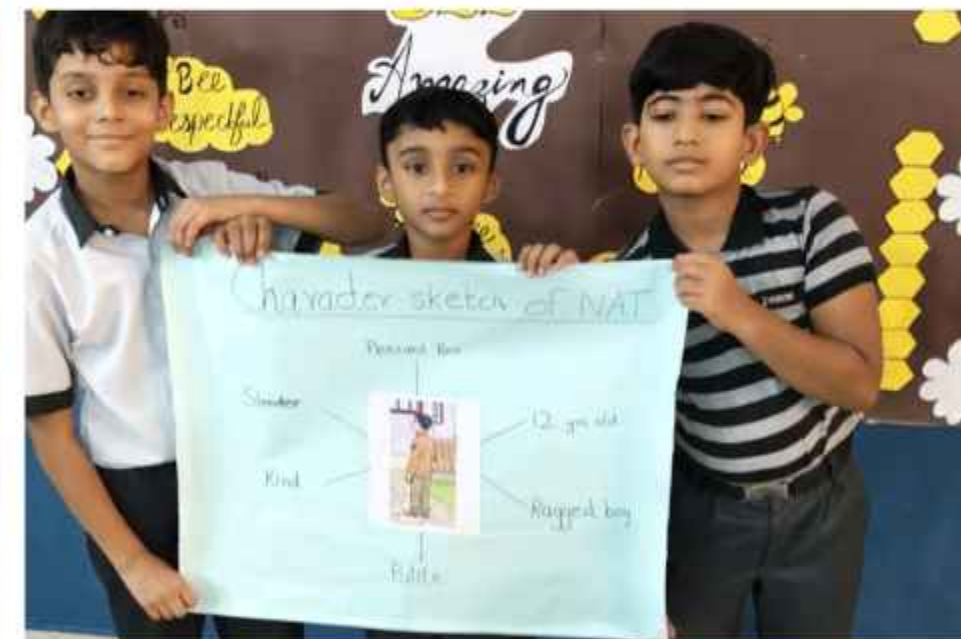

Origami can be a calming activity, promoting focus and mindfulness, and can be used in therapeutic settings to improve fine motor skills, hand-eye coordination, and to reduce stress.

Grade 5 A

Activity - Character sketch of Nat

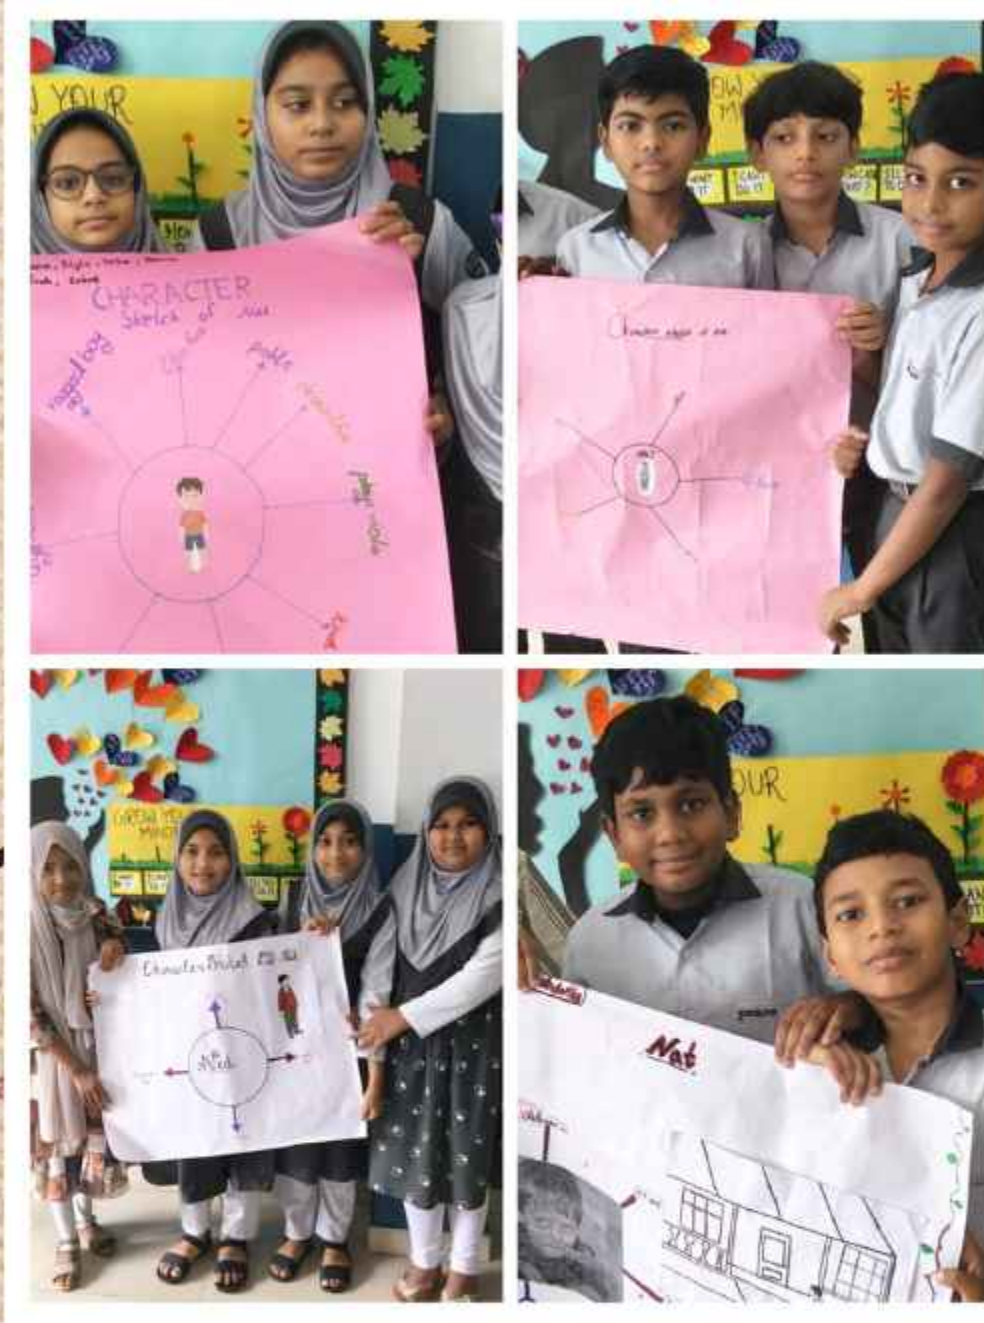

Analyzing and
understanding character
traits, behaviors, delve
deeper into a character's
personality, backstory,
and role in a story.

Activity - Character sketch of Nat

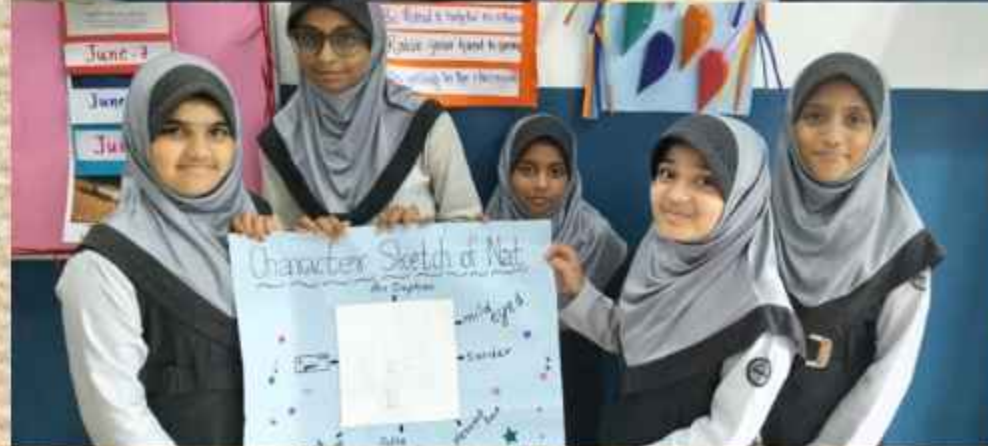

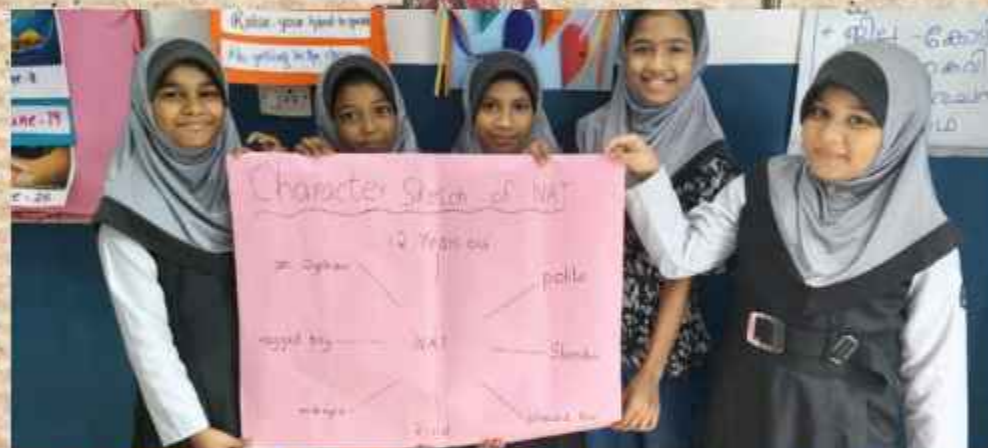

A character sketch helps
flesh out a character's
personality, backstory,
physical traits, and
motivations, making
them more realistic and
engaging.

Grade 5 B

Grade 5 C

Character sketches can
be used as a tool to plan
and organize a
character's development
before writing the full
narrative.

Activity - Poster making
Topic - Do's and Dont's for
the exam.

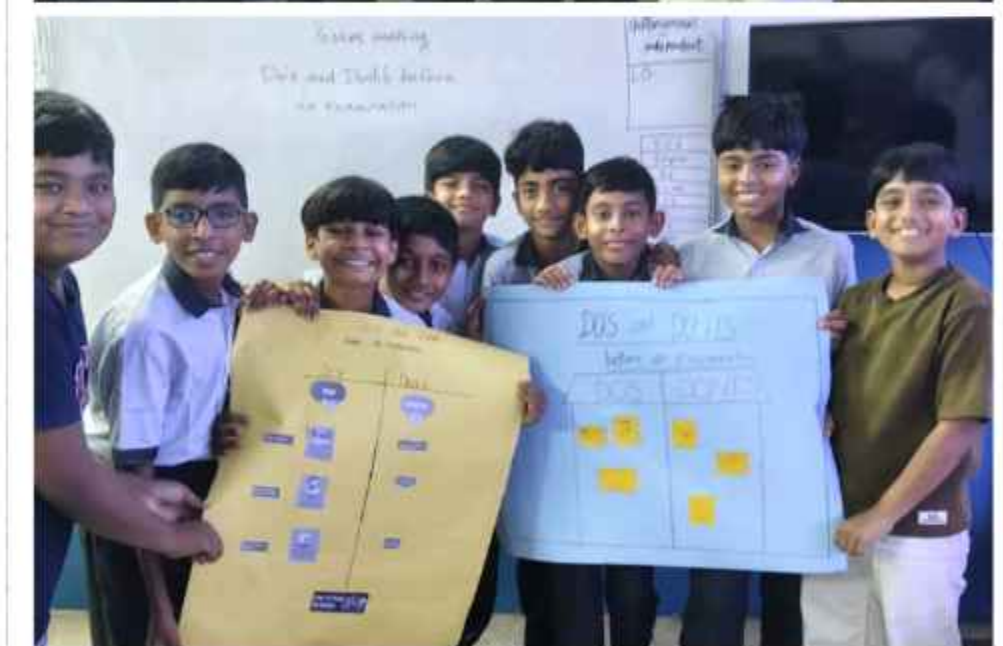

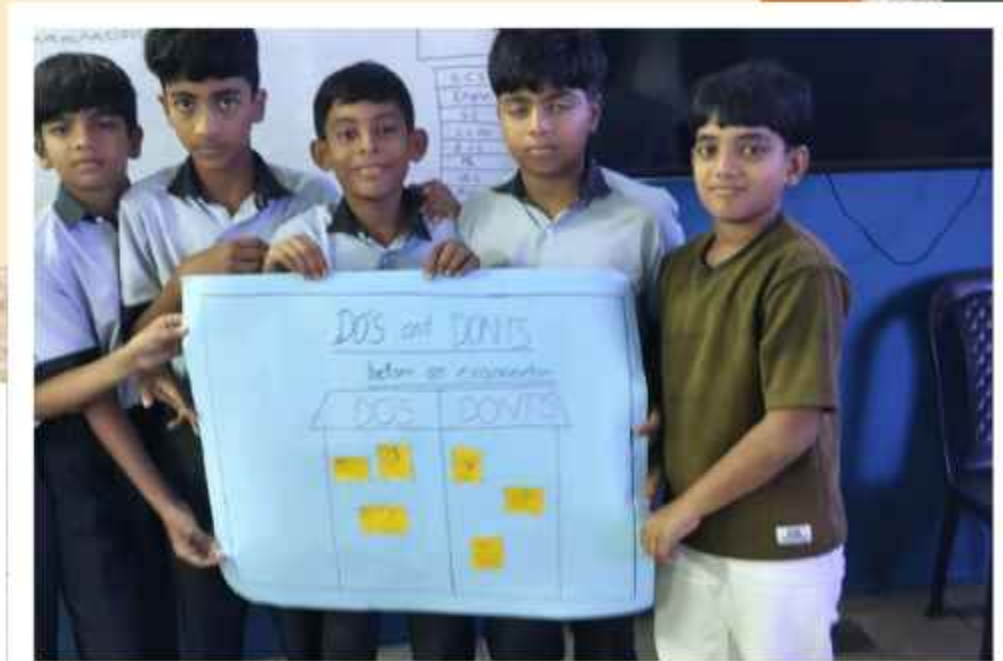

Grade 6 A

Poster making helps to
communicate information
effectively, conveying a
message or theme creatively
in a visually appealing way.

Grade 6 B

Poster making provides
an opportunity to
practice and improve
skills in graphic
design, typography,
and visual storytelling

Role play encourages
critical thinking, problem-
solving, and decision-
making skills as
participants navigate
scenarios and make choices
within their assigned roles

Grade 7 A

Grade 7 B

Role-play can be a fun and engaging way to learn, especially for children. It can increase motivation and engagement by making learning more interactive and relevant.

Thank You
