ENGLISH DEPARTMENT EXPERIENTIAL LEARNING JUNE

VIIIA

Role play

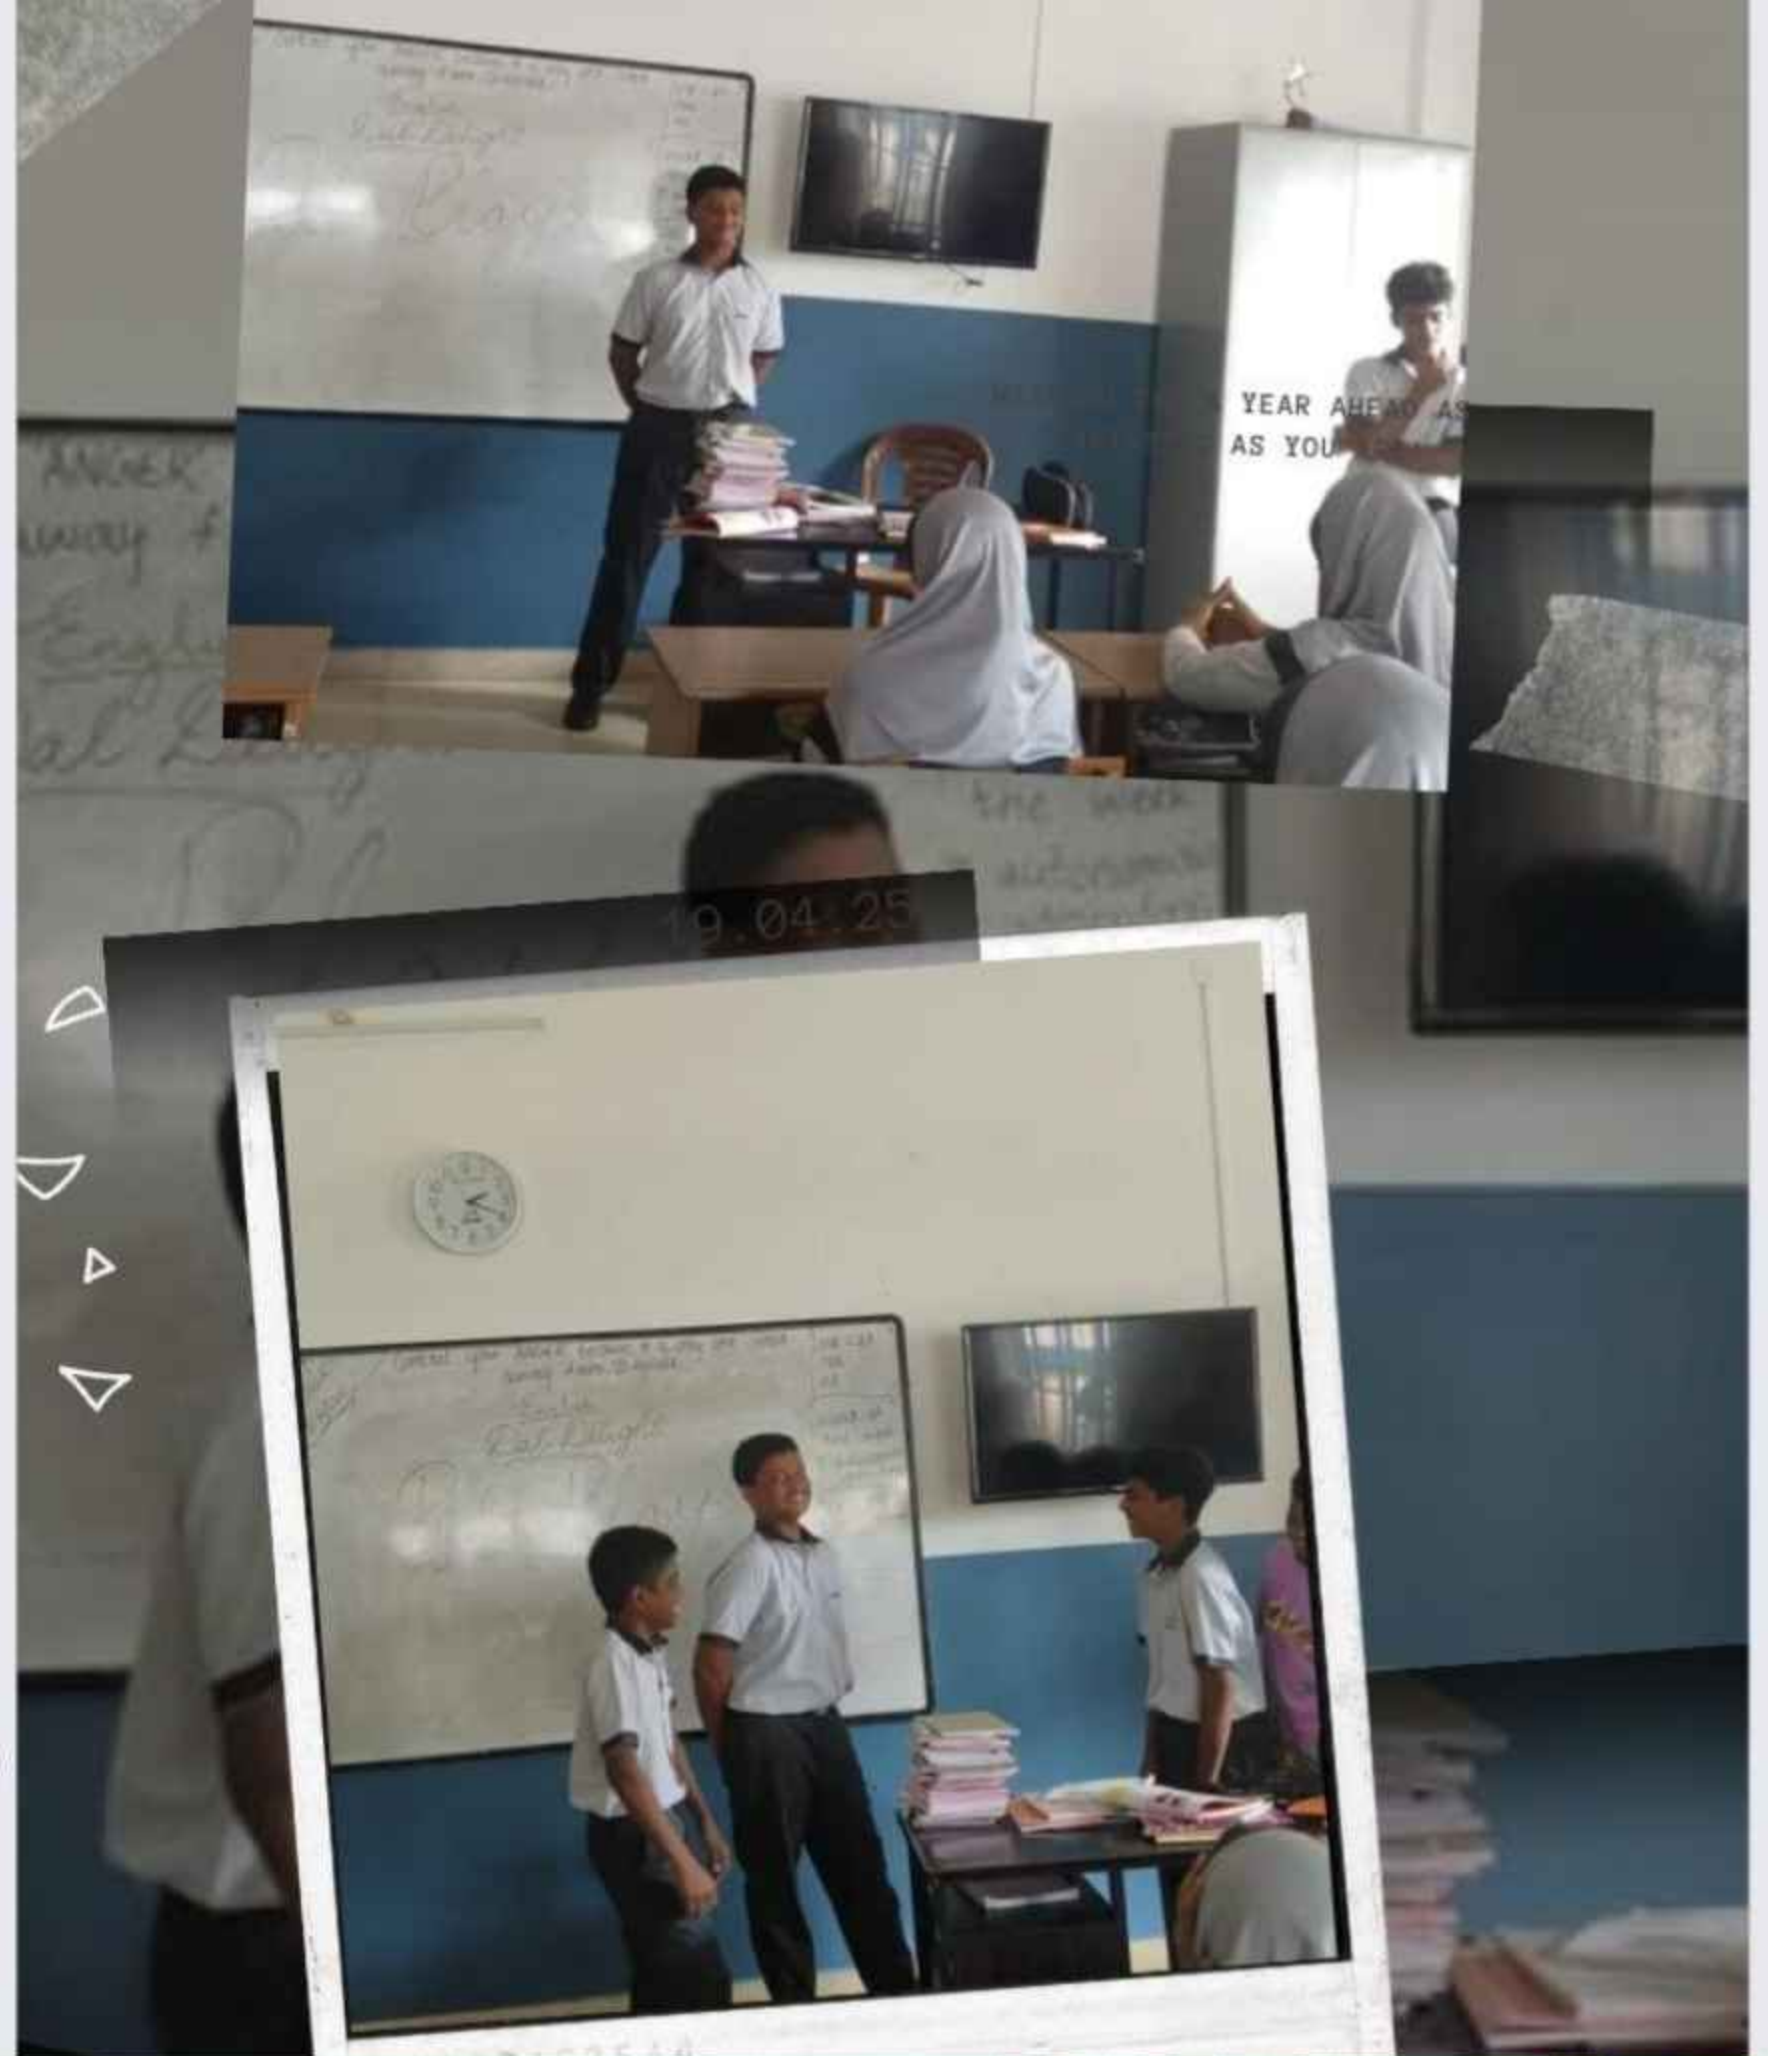

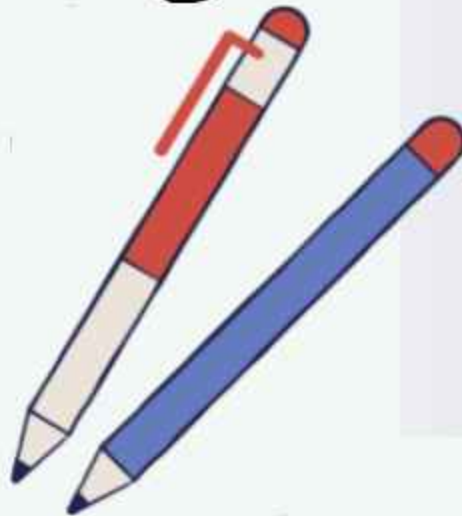

Role play allows individuals to practice specific skills like communication, negotiation, or customer service in a simulated environment before applying them in real-life situations.

VIIIIB

Role play

By enacting scenarios, participants can analyze situations, explore different solutions, and develop problem-solving strategies.

IXA

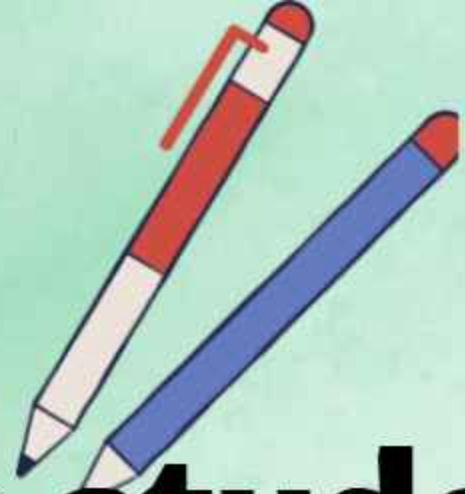

Balloon Debate

**Stimulate quick
thinking, logical
reasoning, and
structured
argumentation.**

IXB

**Motivate students to
actively listen to
others' arguments
and respond
thoughtfully.**

Speaking Activity

XA True liberty is freedom from poverty, deprivation and all forms of discrimination.

Encourage students to reflect on the deeper meaning of liberty beyond political freedom.

XB

**Motivate students to
become socially
responsible and
aware of their role
in creating a
society.**

Thank You
