

# Peace International School

## KINDERGARTEN

### JULY 2025

# Brown and Chocolate day

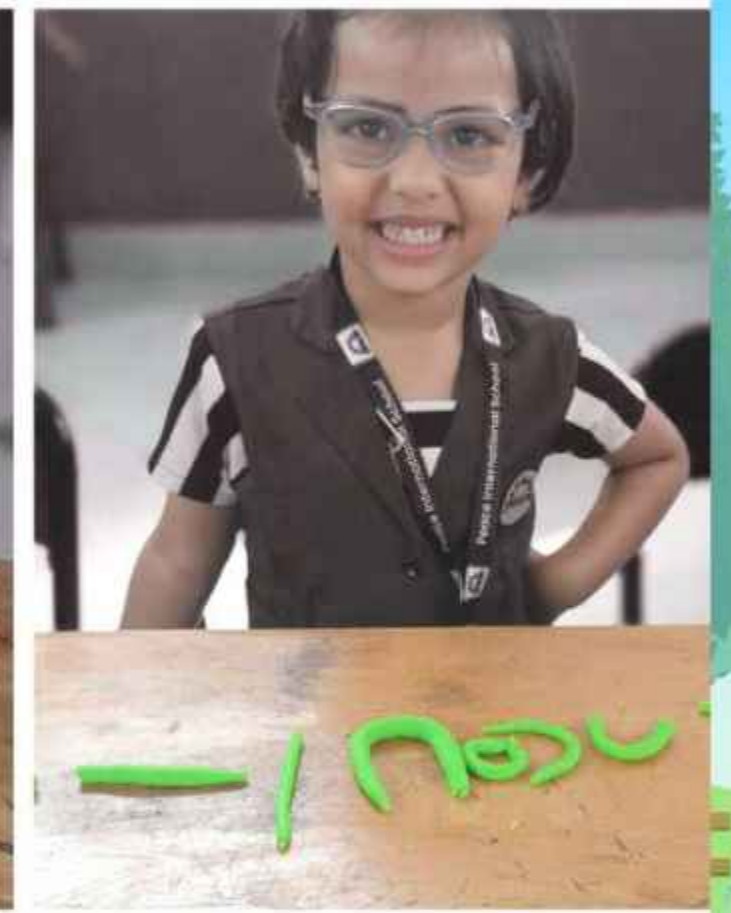

# Brown Day activities

Kids participated in various class activities and chocolate making session.

# Fine motor skills

# DOCTOR'S DAY

Doctors help us feel better and smile better.  
Kids dressed up as doctors and made cards. Appreciating the  
efforts of doctors.

# Doctor's Day activities

# Letter 'C' Caterpillar making

**Kids learnt the letter 'C'. Children learnt how to make a caterpillar using cut outs.**

# Number 3

**The Children explored and learnt the concept of number 3 by participating in a creative fingerprint activity.**

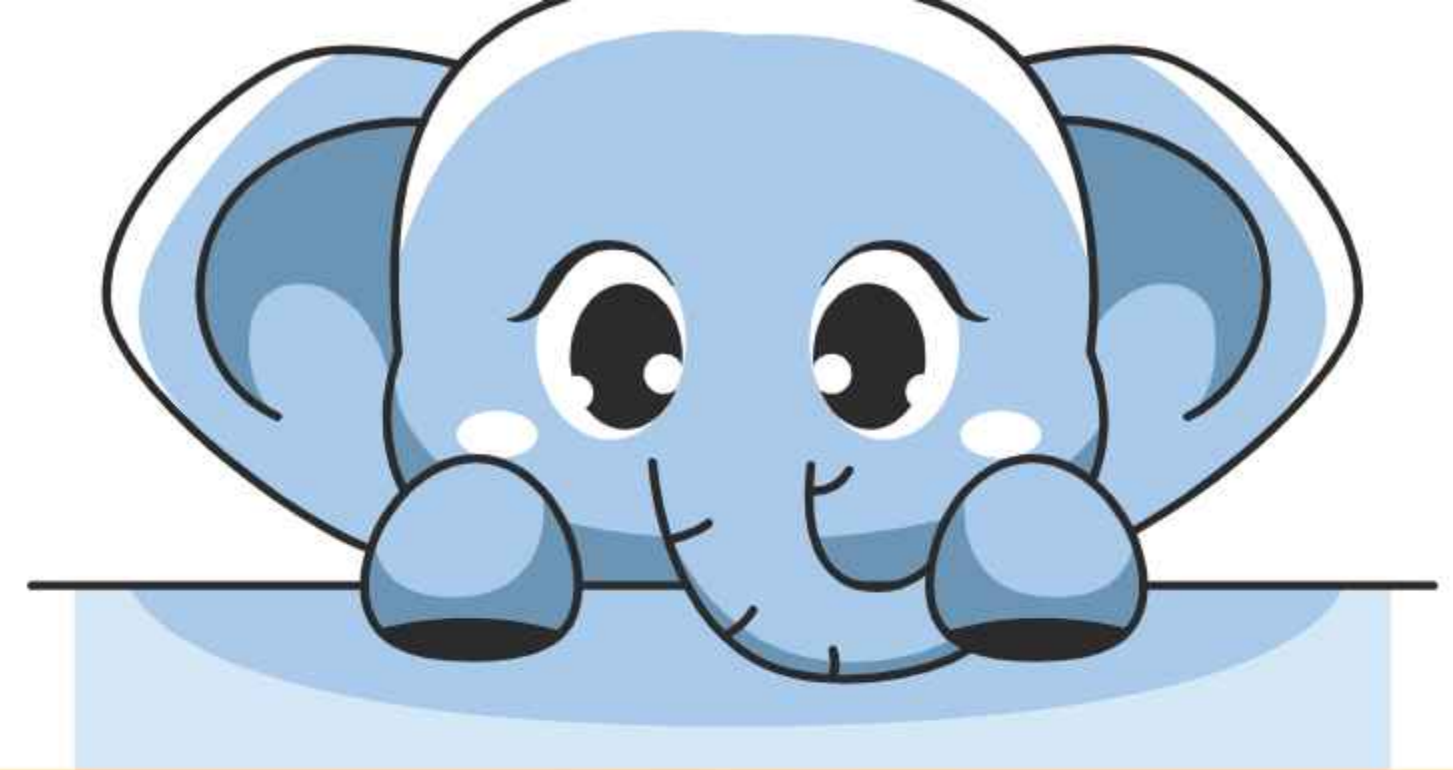

# HEALTHY HABITS

Children picked up healthy habits with the help of different games and interactive activities.

**Identifying  
healthy food  
and unhealthy  
food items.**

**Children are able to sort items based on size, colour, and they have learnt to identify which pattern comes next.**

S  
K  
G

Children  
learnt to  
compare  
objects by  
height-  
Tall, Taller  
and Tallest

**As a part of learning about the senses, children participated in a sensory walk enabling them to understand the concept better.**

# BUNNY MAKING

**Children  
learnt the  
concept of  
Zero.**

**Every drop of rain  
is a hug from the  
clouds.**
