

PEACE INTERNATIONAL SCHOOL

DEPARTMENT OF MATHEMATICS

EXPERIENTIAL LEARNING–AUGUST

GRADE 1,2,3

GRADE 1

Through a fun and creative activity, we learned how to make a colorful butterfly by combining different shapes, exploring both our imagination and our understanding of plane figures.

GRADE 2

Welcome to our toy shop!
Here, we can buy toys,
calculate the total amount,
and find the balance by
practicing addition and
subtraction.

GRADE 3

We can practise addition and subtraction through buying items. This is our Grade 3 market activity, designed to help students improve their addition and subtraction skills in a fun, practical way.

Thank YOU
